HOW TO PLAY JAZZ WORKSHOP

advanced beginners
age 11 through adult
all instruments

March 14, 2020

10 am - 12 pm

CMS Centerbrook

An introduction to jazz performance, this workshop will include listening examples from jazz history and jazz charts that use the "swing 8th note". Learn about the blues scale as well as other scales and harmonies used in improvisation. Musical examples will be tailored to the students' proficiency level. The students will be accompanied using iRealPro and the instructor on piano. The workshop will end with a jazz group performance.
