

Preschool Study Committee Meeting
Central Administrative Office
March 10, 2014
4:00 – 6:00 pm

Task

The preschool program for the Chester, Deep River, and Essex schools require permanent, appropriate, and dedicated space to meet the educational needs of preschool students. The task of the Preschool Study Committee is to investigate and recommend solutions to meet this need. Recommended solutions will be presented to the Boards of Education for Chester, Deep River, and Essex at a Joint BOE Meeting TBD. This is a continuation of the significant work already accomplished by this committee during the 2012-13 school year.
