Items/Discussion Superintendent White presented a proposed plan for VRHS graduation in light of COVID-19 health concerns and public safety restrictions. The plan was developed by school administration, faculty and the VRHS Graduation Committee (comprised of parents, students, staff, and administration) in conjunction with our three First Selectpersons, and local health and safety authorities.

The plan provides a virtual program and will also allow for an in-person component on the grounds of Valley for students, while still maintaining safe social distancing and preserving public safety.

There was a motion duly made and seconded to approve the plan for graduation for Valley Regional High School as recommended by the Superintendent.

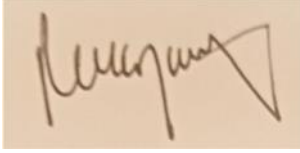

Discussion followed including questions and answers as to why other types of options would not be advisable or permitted.

On motion duly made by DG Fitton and seconded by Rick Daniels, the Board unanimously VOTED to approve the plan for graduation for Valley Regional High School as recommended by the Superintendent.

ADJOURNMENT:

On motion duly made DG Fitton and seconded by John Stack, the meeting adjourned at 6:30 p.m.

Respectfully submitted,
