Items/Discussion:

The board reviewed and discussed the proposed Region 4 budget document and artifacts for 2021-22.

Superintendent White noted that he will be reviewing capital needs in more depth this evening, and he will be asking for guidance from the Board on how they may want to contribute an appropriation to the capital reserve fund, in addition to addressing any capital needs for next year.

He also noted that after discussion and feedback from the last budget workshop, administration has withdrawn the request for full time Athletic Director at VRHS from the proposed budget document. He noted that during the Board’s discussion there had been some interest in returning to the topic next, and so it may return in future year for discussion.

He highlighted a few other changes made to the document since the last workshop. These changes were made based on knowledge gained from student course requests that have made during the registration process for next year’s classes. The changes involved reallocations of amounts already proposed, so it does not create any increases in the total proposed course funding.

Superintendent White presented the Board with general information regarding the Minimum Budget Requirement (MBR) statute. In particular, he discussed what reductions may be made, and under what conditions they may be made appropriately, with no penalty, under MBR .

He also shared a presentation on the capital requests and options for funding them. There was a discussion regarding what to fund, and how to best fund them.

Superintendent White asked the Board to give him consensus based guidance as to how to proceed with revisions to the proposed budget presented this evening.

Chair Sandmann invited all Board members to share their feedback. The consensus was determined to be that administration add a proposed \$75,000 (or less) earmarked contribution, to the capital reserve fund, and also to address the priority 1 and 2 capital requests, being mindful of the cost of the priority 2 project in relation to the final proposed contribution to the capital reserve fund. Once the proposed budget document has been updated with regards to the feedback this evening, it will be shared with board members and posted on-line in advance of Thursday evening's Region 4 BOE meeting and initial budget vote.

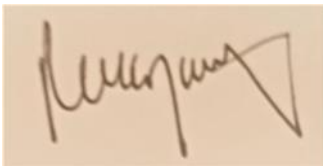

There was time for public comment. No comments made.

The BOE is scheduled to vote on a proposed budget at their next meeting on March 04th. Once approved, it will move to public hearing on April 05, 2021.

ADJOURNMENT:

On motion duly made and seconded, the board unanimously VOTED to adjourn at 7:28 p.m.

Respectfully submitted,

Superintendent’s Report

\$6000 donation from the class of 1970

Other Items:

Attorney Matthew Ritter, of Shipman and Goodwin was there to inform the Board regarding statutes, policies and recommended practices regarding how a regional board proceeds with a real estate transactions and also, specific to the proposed JWMS secured vestibule project to inform the steps the board would take should the board decide to move forward with that project.

CT Statute 10-56 is the statutory authorization that allows the Regional Board to convey real and personal property. Ultimately the Board would need to go to a district meeting to get approval, which is decided by the voters who attend. The board itself cannot authorize the sale. The most common process would be for the board to authorize the chair and/or superintendent to market the property in order to get a sense of who wants to buy it and the price parameters, then go to district meeting to get authorization to sell at those parameters, and at same meeting authorize the sales agreement as specified.

The board discussed how they wished to have the Superintendent proceed with the process, and asked questions of counsel.

On motion duly made and seconded, the Board unanimously **VOTED** to authorize the Superintendent to draft and prepare a RFP and/or RFQ for real estate agents to help market the property at Falls Landing Road, Deep River (9.0+/- Acres identified as Volume 120, Pages 577; Map 48. Lot 7B) and also to authorize the Superintendent to have discussions with staff and interested parties who may want to purchase or market the property and report back to the board on these items at a future date.

Attorney Matthew Ritter, of Shipman and Goodwin informed the Board regarding a two stage process, in general and specifically with regards to proposed JWMS security project. He informed the board regarding relevant policies and recommended practices regarding bond and note issuance for regional school districts around approval of capital project and thresholds to be aware of. He also discussed, in the event the project is approved, how the Board should be prepared to proceed in terms of funding that project.

There was a time for board questions and discussion regarding how they wish to proceed. The consensus was to not move this project to public hearing on April 5th, but to proceed with determining next steps to be able to proceed with this as a referendum question at the November elections. Attorney Ritter noted that due to Title 9 election statutes, the district should plan to hold a District Meeting sometime in August in order to inform the public and meet referendum timing deadlines.

Superintendent White thanked the Board for their feedback and he will now plan to hold the first meeting of the building committee so that they may map out a process to into the spring and beyond with a goal of a November ballot question at the time of elections.

Because the Region 4 BOE did not have a quorum present at the February 25, 2021 Joint BOE meeting, Superintendent White Presented the proposed 2021-22 Supervision District budget for their consideration. The other boards already approved the budget during the Joint BOE meeting.

On motion duly made and seconded, the Board unanimously **VOTED** to approve the 2021-22 Supervision District budget in the amount of \$8,257,430.

Superintendent White presented the proposed Region 4 2021-22 Budget (see attached) with options reflecting the discussion and decisions made at Region 4 Budget Workshop III this past Tuesday evening. Superintendent White asked the Board for their feedback.

There was time for Board discussion and questions.

On motion duly made and seconded, the Region 4 BOE unanimously **VOTED** to move the proposed Region 4 Budget in the amount of \$21,972,472 to public hearing on April 05, 2021.

Further business to discuss due to no Region 4 BOE quorum at Joint BOE meeting on Feb. 25th, 2021: As previously requested by some BOE members, there was a discussion at the February 25th Joint BOE regarding the possibility of directing the Superintendent to initiate the RFP process for legal services. The other boards already voted to direct the Superintendent to initiate the process during the Joint BOE meeting whereby the administration would prepare and share a new RFP with the RFP Legal Bid Review Committee who will then meet to review any bids received so that they may make a recommendation to the Joint BOE for action.

If approved tonight, Superintendent White will essentially replicate the process of two years ago, to convene a legal RFP committee and go out to bid for review by the committee.

On motion duly made and seconded, the Board unanimously **VOTED** to direct the Superintendent to initiate the RFP process for legal services.

The Chair will confirm the Region 4 BOE appointees who will serve on the Joint BOE RFP Legal Bid Review Committee.

There were no committee reports

Public Comment: no comments were made

On motion duly made and seconded the Board **VOTED** to move into Executive Session at approx. 8:44 p.m. for a personnel matter for the purpose of reviewing a separation agreement.

The Board returned from Executive Session at 9:01 p.m.

There was a call for future agenda items: none were shared.

FUTURE AGENDA ITEMS:

Chair Sandmann called the Public Hearing to order at: 7:00 p.m.

A verbal roll call was held.

Superintendent White presented the proposed 2021-22 budget for Region 4.

Public Hearing Comments: No comments were made.

Chair Sandmann called to order the Special Meeting immediately following Public Hearing at approx. 7:19 p.m. Another verbal roll call was held.

The Board reviewed their capital needs and funding requests. Superintendent White shared that he had received feedback from the towns since the Board’s last meeting, asking for possible reductions in the Region 4 budget. Based on these requests, he and Mr. Grissom revisited the capital requests to see if any responsible reductions could be recommended within those items. They reached out to vendors for further review and updated assessments to determine if some other options may exist, particularly with regards to the chiller replacement request.

Based on the chiller vendor’s reassessment to look for options other than a full replacement, the vendor recommended that a repair would be appropriate to extend the life another 6-10 years before a full replacement would be needed. Therefore, administration would recommend that a repair be performed, which would revise the replacement request into a repair request, and result in a lower capital request for next year’s budget.

There was a discussion regarding the chimney repair at VRHS and possible additional costs that may not be known until the initial repair is undertaken. The other identified capital needs were discussed as well including the JW and VR curbing, sidewalk, and paving repairs.

On motion duly made and seconded, the Board unanimously VOTED to approve the regular operating budget with the following items in the capital funding request - JWMS chiller repair at \$30,000; VRHS building management system upgrade at \$50,000; VRHS chimney repair at \$50,000; An appropriation to the capital reserve fund at \$35,000; and to include the JWMS curbing and sidewalk replacement at \$55,650 for a total capital funding request of \$220,650 making a total proposed budget for 2021-22 in the amount of \$21,938,122 to be moved to the Annual Meeting on May 03, 2021.

ADJOURNMENT: On motion duly made and seconded, the Board unanimously VOTED to adjourn at 8:08 p.m.
