

DRES Facilities Meeting 3 14 23 9:00am

Started: 9:08am

In Attendance: Josh Torchia, Bob Grissom, Bob Ferretti, Miriam Morrissey, Pete Waz

Absent: Angus McDonald

#### Gym/Library Lobby Carpeting Project

- Pete has received two of the three quotes. Johnson Floor Covering came in at \$16,645 while Westbrook Floor Covering came in at \$20,403.10. Pending the final quote Pete will move forward with Johnson

#### Playground Update

- Josh and Miriam met with the committee last week. We are down to two final companies, ME O'Brien and Gametime looking at final modifications to the designs to incorporate more movement with auxiliary items to the main structures. Our hope is to pick a final design before the end of the week.

#### Lower Playground Fencing

- Angus and Pete have been working with Cumberland Farms to deal with a fencing issue at the rear of the building between the two properties. The town of Deep River has received a quote to repair the fencing and add in privacy slats to create a barrier between the school and store.

#### Composting Update

- Overall has gone well with the upper grades. Josh would like to extended lower given the feedback from staff and students. Bob F. would like to get some metrics on what we are saving in terms of waste, we will look into this with the companies handling trash and composting.

#### Kitchen Funding

- Funds are available to upgrade broke or outdated equipment in the Kitchen, Thomas will need to facilitate these upgrades.
