REPORTS AND OTHER ITEMS

Superintendent White shared an update on the following:

As there have been several opportunities to connect with individual boards recently Superintendent White said that he would just share a brief update regarding the most current guidance for managing COVID-19. He shared that the districts will be shifting to a mask optional approach, effective Monday, February 28th in accordance with State and local guidance as per his recent communication shared with our communities.

There was a time for the Board to ask questions.

Assistant Superintendent Brzozowy shared a general update on the following:

She will be updating individual Boards throughout the month of March regarding Student Achievement.

She has worked with Curriculum leaders in the last several days and will be updating the Joint BOE Curriculum Committee at their next meeting.

COMMITTEE REPORTS –

Joint BOE Curriculum Committee Chair, Nancy Johnston shared that the Committee met on Jan. 19th at which time they discussed the Black and Latin studies State provided curriculum which is currently being taught at VRHS as a pilot program this year. Next year it will be taught at a full year elective course in accordance with state mandates. They also discussed areas of curricular goals areas moving forward.

The Joint BOE Committee meetings for Policy and Finance, originally scheduled for Jan. 20th were cancelled due to a snow day school cancellation on that date. All Committees meet next in March, as scheduled.

SUPERVISION DISTRICT

What is the Supervision District?

The Boards of Education of Chester, Deep River, Essex, and Region 4 endeavor to work together as multiple Boards of Education to support the Region's mission and strategic goals. High-achieving school districts intentionally align school goals, district goals, and Board goals to cultivate a mission-driven organization. The development of a cohesive educational program pre-kindergarten through grade twelve is a fundamental condition for educational excellence.

The Supervision District is unique to the educational system in Chester, Deep River, and Essex due to the complex multiple-board organizational structure. It is a key element facilitating regional cohesiveness. The Supervision District Committee provides oversight of the budget for the Central Administrative Office, which consists of the Superintendent, Assistant Superintendent, Director of Pupil Services, Director of Technology, and the Business Manager.

The Supervision District provides essential shared services to all of the Region's schools including administrative and fiscal services, curricular organization, professional development, the provision of special services, legal support, personnel services, student transportation, and best practices. The Supervision District also provides teachers and staff who work, or are available to work, in any of the Region's schools such as special education, preschool services, gifted and talented support, summer school, and elementary world language, music, and art teachers.

Chartered through an agreement in 1964 among the Boards of Education of Chester, Deep River, Essex, and Region 4, and modified in 2000, the Supervision District was established to fund those programs and services best shared across our schools. A committee composed of three members each from the Chester, Deep River, Essex, and Region 4 Boards of Education govern the Supervision District. The town Boards of Education govern each town's elementary school. The Region 4 Board of Education governs John Winthrop Middle School and Valley Regional High School. The Supervision District Committee chair rotates annually among the chairs of the Boards of Education.

The annual contributions required for each of the Boards is established by the Supervision committee in accordance with the agreement, and allocates each expense in the approved budget according to an accepted methodology. This methodology includes one or more of the following allocation methods:

- 1.) A 3-way allocation based on elementary student populations
- 2.) A 4-way allocation based on total K-12 student populations
- 3.) 1-way allocation for expenses benefiting only one board
- 4.) Use allocation for expenses which can be segregated by frequency or volume of use.

District Priorities 2021-2022

All schools and staff will be dedicated to pursuing and implementing the priorities that the Administration identified as the most crucial to the improvement of student success.

1. Tier I Instruction: Core curriculum and instruction delivered to all students. A strong Tier I includes multiple ways for students to learn and demonstrate mastery of grade level standards. Tier I Instruction happens in the classroom for all students as a foundation to learning.
2. Intervention: Students in need of additional support in one or multiple areas receive targeted intervention at the Tier II or Tier III level. These interventions may be for literacy, mathematics, soft skills, social skills or other academic skills. Intervention is progress monitored throughout the course of the program to determine efficacy or a need to make modifications.
3. Social Emotional Learning: Mental health is a critical focus in light of the stressors of the pandemic. Social Emotional Learning pathways are an integral part of all classrooms for the 2021-2022 school year. There has been an increased need for support of students who are dealing with the everyday challenges and pressures that may impact mental and emotional health.

It should be noted that the District is undertaking a strategic planning exercise that will result in 5 year District Goals with associated performance measures. These goals will take effect beginning in the 2022-2023 school year. The stated District Priorities for 2021-2022 will be included in the District Strategic Planning process.

Average Daily Membership

What is Average Daily Membership (ADM)?

The Supervision District provides essential shared services to the Chester, Deep River, Essex, and Region 4 schools. The costs associated with Supervision District are assigned to member districts using a three-way allocation for shared elementary services. A four-way allocation is used for services shared by all member districts including Region 4. The allocations are based on the Average Daily Membership (ADM) among the participating Boards of Education. Preschool special needs students (minus typical peers) are counted and assigned to the home district. Students who are educated out of district are assigned to the home district (special education, vocational agriculture); this does not include students who attend technical high schools or adult education.

Average Daily Membership for the subsequent budget year is determined by the total number of students in each district grades K-6 or 7-12 based upon the Connecticut State Department of Education October 1 census of actual enrollment in the current year.
