**Items / Discussion**

The Committee reviewed proposed school calendars for 2021-22 and 2022-23 along with the current proposed LEARN regional calendar for 2021-22.

Consensus regarding the proposed 2021-2022 Calendar:

- Change date on the bottom regarding high school graduation to June 7, 2020 to match calendar.
- Discussion to consider moving K-6 conferences to a little later (no change was recommended)
- **The 2021-22 Calendar as proposed, (with the correction of the aligning note on high school graduation date) is recommended for approval by the Supervision District Committee as scheduled on Dec. 3<sup>rd</sup>, 2020.**

Consensus regarding proposed 2022-2023 Calendar:

- One question about why starting 8/29 and not 8/22
- Group consensus was to only move 2021/2022 calendar forward for vote by the Supervision District on December 3<sup>rd</sup> and to wait on recommending a 2022/2023 calendar due to history of needing to revise and time for discussing regarding change of start date.

Meeting adjourned at: 1:09 p.m.
