Items/Discussion:

The board reviewed and discussed the proposed Region 4 budget document and artifacts for 2021-22.

Superintendent White noted that he will be reviewing capital needs in more depth this evening, and he will be asking for guidance from the Board on how they may want to contribute an appropriation to the capital reserve fund, in addition to addressing any capital needs for next year.

He also noted that after discussion and feedback from the last budget workshop, administration has withdrawn the request for full time Athletic Director at VRHS from the proposed budget document. He noted that during the Board’s discussion there had been some interest in returning to the topic next, and so it may return in future year for discussion.

He highlighted a few other changes made to the document since the last workshop. These changes were made based on knowledge gained from student course requests that have made during the registration process for next year’s classes. The changes involved reallocations of amounts already proposed, so it does not create any increases in the total proposed course funding.

Superintendent White presented the Board with general information regarding the Minimum Budget Requirement (MBR) statute. In particular, he discussed what reductions may be made, and under what conditions they may be made appropriately, with no penalty, under MBR .

He also shared a presentation on the capital requests and options for funding them. There was a discussion regarding what to fund, and how to best fund them.

Superintendent White asked the Board to give him consensus based guidance as to how to proceed with revisions to the proposed budget presented this evening.

Chair Sandmann invited all Board members to share their feedback. The consensus was determined to be that administration add a proposed \$75,000 (or less) earmarked contribution, to the capital reserve fund, and also to address the priority 1 and 2 capital requests, being mindful of the cost of the priority 2 project in relation to the final proposed contribution to the capital reserve fund. Once the proposed budget document has been updated with regards to the feedback this evening, it will be shared with board members and posted on-line in advance of Thursday evening's Region 4 BOE meeting and initial budget vote.

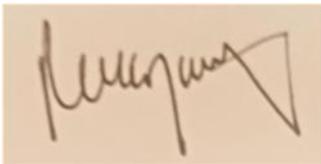

There was time for public comment. No comments made.

The BOE is scheduled to vote on a proposed budget at their next meeting on March 04th. Once approved, it will move to public hearing on April 05, 2021.

ADJOURNMENT:

On motion duly made and seconded, the board unanimously VOTED to adjourn at 7:28 p.m.

Respectfully submitted,

REGIONAL SCHOOL DISTRICT 4

Regional School District 4 is part of a system of schools comprising the Chester, Deep River, Essex, and Region 4 school districts. The districts are governed by multiple Boards of Education and administered under the auspices of the Supervision District agreement. The Boards of Education are committed to providing a rigorous, challenging, and cohesive educational program for students PK-12.

Regional School District 4

Regional School District 4 provides middle and high school public education for the member towns of Chester, Deep River, and Essex. John Winthrop Middle School provides educational services for approximately three hundred and forty students in grades seven and eight. Valley Regional High School provides a comprehensive high school program for approximately six hundred and twenty students in grades nine through twelve.

John Winthrop Middle School has won a prestigious honor from The New England League of Middle Schools (NELMS), being named as a NELMS Spotlight School. John Winthrop Middle School is one of only a handful of middle schools across New England to receive this prestigious award. The NELMS Spotlight Award acknowledges the outstanding work of the faculty, staff, administration, Board of Education, and the community in the support of an excellent educational program based upon the best of middle school practices. The NELMS Spotlight Award validates that the John Winthrop Middle School community provides an exceptional educational program anchored in a rigorous curriculum, specialized instructional practices planned to meet the needs of young adolescents, skilled and supportive educators, a caring climate, communities that support student learning and healthy development, and a safe and healthy school environment, of all which develop caring and ethical citizens.

Valley Regional High School received the prestigious honor of being named one of the top 500 high schools across America by Newsweek Magazine based on the success of our students. The High School was also placed on the Advanced Placement honor roll. This award was given to Valley Regional High School for expanding opportunities for students to earn college credit through rigorous college level course work. Valley Regional High School has also received local, regional and national awards in fine arts and music.

District Strategies for 2017-2022

All schools and staff will be dedicated to pursuing and implementing the strategies that the strategic planning team identified as the most crucial to the improvement of student success in our priority identified skills. They are:

1. Operationalize a three community, unified focus – Pre-K to 12 – on critical and creative thinking for solving difficult problems and to focus and align the districts’ goal setting processes with these priorities across towns, building and grades.
2. Clarify/unify the assessment philosophy of the districts and comprehensively audit the use of assessment resources to ensure they are consistently applied throughout the districts and then build/use the assessment capacity of the districts to enable reliable assessment and data reporting of student proficiency in the priority skills (3 Year Process).
 - Data collection across the districts
 - Assessment Audit
 - Assessment Philosophy
3. Support teachers in the enhancement of their capacity (professional learning, development, support and feedback) to teach and assess higher order thinking skills (critical and creative problem-solving) in a digital learning environment. - (Educator Evaluation Rubric 3B and 3C).

Average Daily Membership

What is Average Daily Membership (ADM)?

Regional School District 4 provides public middle and high school education to the member towns of Chester, Deep River, and Essex. The costs associated with Regional School District 4 are assigned to member towns using a three-way allocation. The allocations are based on the Average Daily Membership (ADM) among the member towns. Average Daily Membership for the subsequent budget year is determined by the total number of students in each member town grades 7-12 based upon the Connecticut State Department of Education October 1 census of actual enrollment in the current year. Students educated out of district are assigned to the home district (special education, magnet schools and vocational agriculture) not including students attending Technical High Schools and Adult Education.

Average Daily Membership for the 2021-2022 Budget

- Average Daily Membership is based upon a three-way allocation per state statute.
