SAVE THE DATE for TOUCH A TRUCK 2022

On **Saturday, May 21, 2022**, the Thames West Auxiliary of Child and Family Agency of Southeastern Connecticut and the East Lyme Parks & Recreation Department will co-sponsor our **thirteenth** Touch A Truck. This family event will take place from 9:00 a.m. to 2:00 p.m. at McCook Point Park in Niantic, CT. There will be a no-horn hour from 9 to 10 a.m. for the benefit of noise sensitive children.

The main event is TRUCKS! Children will be able to climb, steer, blow horns, and imagine in an amazing array of vehicles from the military, law enforcement, fire departments, East Lyme Public Works, commerce, and industry. Importantly, a variety of food trucks will provide the opportunity to purchase snacks and lunch.

LIFE STAR, Hartford Hospital's critical-care helicopter, is scheduled to make a landing.

There are even more perks! Roaming Railroad will be on hand to provide tours for a nominal fee around the park. The Rotary Club of Niantic will present Amber Alert, a program allowing parents to take steps to safeguard their children. LAZFly, the shuttle service at Bradley Airport will be on hand to ferry children and their families from a satellite parking lot at Niantic Center School and the adjoining Telaidd lot.

The suggested donation is \$5 per person (ages 2 and up) to benefit Child and Family Agency of Southeastern CT, Inc., which has been at the forefront of social service development in southern and eastern Connecticut since 1972. The Agency's services are changing the lives of 7,400 children, families, and adults annually through behavioral and physical health care services, childcare, and family resources. Visit the CFA website to learn more about the Agency, to volunteer, or to donate: www.childandfamilyagency.org
