

Madison Hoop Dreams School of Basketball

The School of Basketball is one of the best programs we offer. It provides an opportunity for players to develop their ball handling skills and pure shooting form. With improved skills, players gain self-confidence and enhance their love of basketball. We will offer a clinic every Monday, Wednesday, and Friday from March 1st to May 31st at the Polson Middle School (302 Greenhill Rd Madison) for grades 3 - 9 from 5 PM to 6:15 PM. We have 3 outstanding instructors: Coach Brett Zanardi, Coach Bobby Moore, and Coach Rich Pagliuca.

Similar instruction, given in a private lesson, would probably cost \$60/hr. We charge \$16/hr (\$20 for the hour and 15 minutes). Payments can be made daily, weekly, monthly, or in total. There is a discount for monthly or in total. If going all of March, the 14 days is \$250. If going all days in April, the 11 days is \$200. If going all days in May, the total is \$250. For all days, the total for 38 days is \$675. If finances are a problem for any family, we offer financial help. Just call me at 203-494-6905 to request assistance. Please go to <http://www.madisonhoopdreams.com> to register and to check out our April Vacation Camp and 6 weeks of summer camp.
